

Ideation Phase

Define the Problem Statements

Date	02 October 2022
Team ID	PNT2022TMID13627
Project Name	SMART WASTE MANAGEMENT SYSTEM FOR METROPOLITAN CITIES
Maximum Marks	2 Marks

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

i am	i am an Engineering student	... i am an Engineering student and i have an team in my team 4 members are there
 i am trying to	now im trying to build problem ststements	... i am trying to know about the project detells to the help of my team members
 but	i not know about the project well	but in my team members not know about this project detals
 because	this is my new field...	our team members is not only work with other field
 which makes me feel	now im fell better ... toknow the new field	now,i am feel good to this project

Example:

Problem Statement (PS)	I am	I'm trying to	But	Because	Which makes me feel
PS-1	Need clean environment	Garbage level checking	In cities it's not easy	The wastage monitoring machine is not working	The customer becomes very happy
PS-2	Monitoring	Analyse the pollution	It leads to high level wastage	It's a summer season	They are disappointed
